Forms Issued: The Florida Department of Health required form (DOH 3040) will be issued following completion of the physical examination. This form meets the Florida state requirement for enrollment in public or private school.

ABOUT SHEPHERD'S HOPE: Shepherd's Hope offers free and compassionate health care to the uninsured and underinsured in Central Florida through the support of 2,300 volunteers who donate 41,000 hours. Last year, Shepherd's Hope provided 17,128 patient visits and medical services to men, women and children who visited our five health centers.

ABOUT NEMOURS CHILDREN'S HEALTH SYSTEM: Nemours is an internationally recognized children's health system that owns and operates the Nemours/Alfred I. duPont Hospital for Children in Wilmington, Del., and Nemours Children's Hospital in Orlando, along with major pediatric specialty clinics in Delaware, Florida, Pennsylvania and New Jersey. To learn more about Nemours visit <http://www.nemours.org/welcome.html>
